

Frontline Gold Corp. Adds Darryl Sittler as an Independent Director to Board

07.04.2011 | [Marketwired](#)

HALIFAX, NOVA SCOTIA -- ([Marketwire](#) - April 7, 2011) - [Frontline Gold Corp.](#) (the "Company") (TSX VENTURE: FGC) is pleased to announce the appointment of Mr. Darryl Sittler to the Company's Board of Directors.

"We are pleased to welcome Mr. Sittler to the Board of Directors" commented President and CEO, Walter Henry. "As Frontline continues to expand its exploration activities, Mr. Sittler's extensive director experience as an independent mining director adds substantially to the depth of independence within our Board of Directors."

Mr. Sittler is a former National Hockey League player and 1989 inductee to the Hockey Hall of Fame. Mr. Sittler is a self-employed business person in the areas of public relations, community relations and team building. In 2009, Mr. Sittler successfully completed the Institute of Corporate Directors Course and obtained the ICD.D.

Mr. Sittler is a Director of Royal Nickel Corporation and [Wallbridge Mining Company Limited](#), both TSX listed companies. He is also a director of privately held Miocene Metals Ltd and Stay Gold Inc.. Mr. Sittler has served as a member of both the Audit and the Compensation Committees of the companies mentioned. He is also a Director of TeamUP Foundation – Charitable Foundation of Maple Leaf Sports and Entertainment Ltd.

In addition, the Company announces that Colman O'Brien has resigned as a Director of Frontline. The Board of Directors, together with Management, is in the process of a reorganization of the Board of Directors to ensure further Board independence. Details of the reorganization will be announced as and when decisions are made.

"The Board of Directors and Management would like to thank Colman for his valuable contribution and advice", commented Mr. Henry. "I sincerely wish Colman all the best in his new business venture."

Frontline Gold Corp. (TSX VENTURE:FGC) is a Canadian junior mineral exploration company with an experienced discovery team and a proven record of accomplishment. The Company's flagship Niaouleni property lies in the heart of Mali South in West Mali in Africa's prolific gold belt. Frontline is currently developing its gold projects in the Izmir province of Western Turkey, which consist of the Menderes, Odemis, Ordu and Kure properties. Ongoing Canadian exploration includes the Red Lake (gold) and Stewart (gold-copper-polymetallic) projects.

For further information, please visit the Company's website at www.frontlinegold.com to view the most recent corporate presentation and updated Niaouleni project photos.

This news release contains forward-looking statements, which address future events and conditions, which are subject to various risks and uncertainties. The Company's actual results, programs and financial position could differ materially from those anticipated in such forward-looking statements as a result of numerous factors, some of which may be beyond the Company's control. These factors include: the availability of funds; the timing and content of work programs; results of exploration activities and development of mineral properties; the interpretation of drilling results and other geological data, the uncertainties of resource and reserve estimations, receipt and security of mineral property titles; project cost overruns or unanticipated costs and expenses, fluctuations in metal prices; currency fluctuations; and general market and industry conditions.

Forward-looking statements are based on the expectations and opinions of the Company's management on the date the statements are made. The assumptions used in the preparation of such statements, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements.

Walter Henry,

President & CEO, FRONTLINE GOLD CORP.
