

# LONDON MINING - DELISTING FROM OSLO AXESS

30.09.2011 | [Globenewswire Europe](#)

Further to the announcement dated 20 June 2011 confirming the Oslo Børs' approval of the delisting of the Company's ordinary shares from the Oslo Axess market of the Oslo Børs, the Company notes that today is the last day of trading of its ordinary shares on Oslo Axess and that the delisting will take effect at 7.00 a.m. (London time) on 3 October 2011. The ordinary shares will continue to be admitted to trading on AIM.

In order to allow for settlement of shares that are traded on the Oslo Børs today, the VPS register will be closed at 8.00 p.m. (Oslo time) on 5 October 2011 and shareholders on the VPS register at that time will be sent share certificates in their own name, in respect of their shares to their address as it appears on the VPS register.

The Company's website can be found at: [www.londonmining.co.uk](http://www.londonmining.co.uk)

## About London Mining

London Mining is focused on identifying, developing and operating scaleable mines to become a mid-tier supplier to the global steel industry. London Mining is developing three iron ore mines in Sierra Leone, Saudi Arabia and Greenland as well as an early stage coking coal project in Colombia. All London Mining's assets have deliverable production with potential for expansion. The Company is currently listed on the AIM in London and Oslo Axess and trades under the symbols LOND.L and LOND.NO (Reuters) and LOND LN and LOND NO (Bloomberg). The Company's shares will be delisted from Oslo Axess on 3 October 2011.

This information is subject of the disclosure requirements pursuant to section 5-12 of the Norwegian Securities Trading Act.
