

Goldspan Resources, Inc., Signs LOI to Acquire 80% Equity Interest in Equipment and Trucks Inc. (ETI), of Loveland, CO

06.03.2013 | [GlobeNewswire](#)

LAKWOOD, Colo., March 6, 2013 (GLOBE NEWSWIRE) -- [GoldSpan Resources, Inc.](#) (OTCBB:GSPN) has signed a Letter of Intent (LOI) that allows it the option to acquire an 80% equity interest in Equipment and Truck Inc. (ETI), a heavy equipment and truck sales and rental company based in Loveland, Colorado. Terms of the LOI will be disclosed in future SEC filings.

Phillip Allen, President of GoldSpan Resources, stated, "We view this acquisition as a fantastic opportunity to help us execute our business plan. We expect this purchase to be the first in a line of strategic alliances on the horizon for GoldSpan with our new management team in place."

ETI is a ten year old, privately held company that has maintained profitability and growth during the difficult times of the fiscal meltdown. ETI plans to utilize GoldSpan's assistance to acquire access to additional credit lines to grow the business and expand into the used parts arena. According to Ron Ruby, President and CEO of ETI, "I look forward to the opportunity with Goldspan to be able to grow both the rental, sales and the parts side of the fast growing used equipment market. These emerging markets will increase profitability as well as make us a leader in our client source for their equipment needs. With ETI already having mining clients and knowing the mining equipment space very well, there appears to be good synergies that will allow for each company to benefit and grow." The goal is to complete the terms of the acquisition by the end of 2013.
