VANCOUVER, BRITISH COLUMBIA -- (Marketwired) -- 05/01/13 -- [Revolution Resources Corp](#) (TSX: RV) ("Revolution" or "the Company") is pleased to announce that all of the resolutions that shareholders were asked to consider at the Annual General Meeting held in Vancouver, BC on April 30, 2013, were approved, including the approval to issue 20,000,000 shares to Lake Shore Gold Corp. under the share and purchase agreement (pls refer to NR #1, dated January 30, 2013).

The number of directors was fixed at five. Each of the incumbent directors, Aaron Keay, Michael Williams, Robert McLeod, Georg Hochwimmer and Terry Bell were re-elected as directors of the Company, for a one year term expiring at the next annual general meeting.

ON BEHALF OF THE BOARD of Revolution Resources Corp.

Aaron Keay  
President, CEO and Director

*Forward-Looking Statements: Some statements in this news release contain forward-looking information or forward-looking statements for the purposes of applicable securities laws. These statements include, among others, statements with respect to the completion of the transactions contemplated by the New Agreement, the Company's plans for exploration and development of the Mexican properties, potential mineralization and expected share issuances. These statements address future events and conditions and, as such, involve known and unknown risks, uncertainties and other factors, which may cause the actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by the statements. Such risk factors include, among others, failure to obtain regulatory approvals, failure to complete anticipated transactions, the timing and success of future exploration and development activities, exploration and development risks, title matters, inability to obtain any required third party consents, operating hazards, metal prices, political and economic factors, competitive factors, general economic conditions, relationships with strategic partners, governmental regulation and supervision, seasonality, technological change, industry practices and one-time events. In making the forward-looking statements, the Company has applied several material assumptions including, but not limited to, the assumptions that: (1) the transactions contemplated by the New Agreement will be completed as planned; (2) the proposed exploration and development of mineral projects will proceed as planned; (3) market fundamentals will result in sustained metals and minerals prices and (4) any additional financing needed will be available on reasonable terms. The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise except as otherwise required by applicable securities legislation.*
