

King's Bay Gold Corporation announces the appointment of Grant Hall as a Director

07.05.2013 | [The Newswire](#)

King's Bay Gold Corporation (TSX.V: KBG) (the "Corporation") is pleased to announce the appointment of Mr. Grant Hall of Little Rock, Arkansas as a Director of the Corporation subject to the approval of the TSX Venture Exchange Inc. This appointment is subsequent to the resignations of directors Rick Jabs and Robert Gagne as was announced in a news release dated April 19th, 2013. The Board of Directors and management would like to thank Mr. Hall for agreeing to join the Corporation as a Director. Mr. Hall's extensive public companies experience, knowledge and contacts will prove to be instrumental in assisting the Corporation to move forward and beyond the current turbulence in the capital markets for junior mineral exploration companies.

Grant Hall

Mr. Hall has vast experience with Canadian public companies involved in mining, mining services, and commodities transactions. He has also been involved in the financial services industry as a financial advisor with two Canadian investment firms over the course of several years. He has raised significant amounts of capital for different ventures including Sola Resources Corp. and Prize Mining Corp. He was President of the former Western Warrior Resources Inc. (now Whetstone Minerals Ltd.). He was a part of the initial management change at [Oremex Resources Inc.](#) in 2009 and helped fund that enterprise as well. Mr. Hall is President of MPVC Inc. and is a director of Pure Energy Minerals as well as [Brigadier Gold Ltd.](#) which are both TSX Venture-listed junior resource companies.

About King's Bay Gold Corporation

King's Bay Gold Corporation is a Canadian mineral exploration and development company with mineral projects located in two of Canada's emerging gold camps - the Rainy River / Kenora and Sturgeon Lake, ON gold camps.

This news release includes certain forward-looking statements concerning the future performance of King's Bay Gold Corporation's business, its operations and its financial performance and condition, as well as management's objectives, strategies, beliefs and intentions. The Company does not intend, and does not assume any obligation, to update these forward-looking statements.

Forward-looking statements are frequently identified by such words as "may", "plan", "expect", "anticipate", "estimate", "intend" and similar words referring to future events and results. These forward-looking statements represent management's best judgment based on current facts and assumptions that management considers reasonable. The Company makes no representation that reasonable business people in possession of the same information would reach the same conclusions. All forward-looking information is inherently uncertain and subject to a variety of assumptions, risks and uncertainties, including the speculative nature of mineral exploration and development, fluctuating commodity prices, competitive

risks and the availability of financing and as described in more detail in the Company's recent securities filings available at www.sedar.com. Actual events or results may differ materially from those projected in the forward looking statements and readers are cautioned against placing undue reliance thereon.

Neither TSX Venture Exchange Inc. nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange Inc.) accepts responsibility for the adequacy or accuracy of this release.
