TORONTO, ONTARIO -- (Marketwired - Oct. 18, 2013) - [Alexandria Minerals Corporation](#) (TSX VENTURE:AZX) (FRANKFURT:A9D) is pleased to announce that, subject to regulatory approval, it has increased the amount of the non-brokered private placement previously announced on September 10, 2013, from gross proceeds of \$800,000 to gross proceeds of \$1,026,442 consisting of an aggregate of 10,264,420 shares at a price of 10 cents per share.

The first tranche of the non-brokered private placement financing, as previously announced in the Company's News Release dated September 11, 2013, was completed on September 11, 2013, and consisted of 3,500,000 shares at a price of \$0.10 per share for gross proceeds of \$350,000. The second tranche is anticipated to close in October and, subject to regulatory approval, will be increased from 4,500,000 shares to 6,764,420 shares at a price of \$0.10 per share for gross proceeds of up to \$676,442. Upon closing of the second tranche, the Private Placement will result in the issuance of 10,264,420 shares at a price of 10 cents per share for gross proceeds of \$1,026,442.

As previously announced in the Company's News Releases, the proceeds from the sale of the shares will be used for exploration on its Cadillac Break property group in Val d'Or, Québec. Focus will be on step-out drilling on its Akasaba gold-copper project on which it has had considerable success enlarging through drilling during the past 18 months.

The private placement announced in this news release is subject to certain conditions, including receipt by Alexandria of all necessary regulatory approvals, including the approval of the TSX Venture Exchange. All securities issued as part of the private placement will be subject to a hold period of four months from the date of closing.
