A finder's fee of up to 10% may be payable to arm's length finders on part of the Private Placement. Directors, officers and employees of the Company may participate in a portion of the financing.

The proceeds from the Private Placement will be used by the Company to identify, acquire, refurbish and commission a toll mill in Peru with its partnership, as announced in Orovero's news release dated October 23, 2013. Funds will also be used for general working capital. This Private Placement is subject to regulatory approval and the Private Placement securities will be issued subject to a minimum four-month hold period from the date of issuance.

## Share Exchange

Orovero has also arranged a financing arrangement by way of a share exchange agreement ("Share Exchange") with Global Resources Investments Ltd. ("GRIL"), an arm's length party to Orovero. Under the Share Exchange agreement, Orovero will issue to GRIL 5,300,000 common shares of Orovero at a deemed price of \$0.09 per common share, or up to 8,500,000 common shares of Orovero if the Private Placement is fully subscribed. A finder's fee of up to 8% may be payable to arm's length finders on the Share Exchange.
