Northland Announces the Number of Warrants Exercised in March 2014

25.03.2014 | Marketwired

LUXEMBOURG, LUXEMBOURG--(Marketwired - Mar 25, 2014) - **Northland Resources S.A.** (OSLO:NAUR)(FRANKFURT:NPK)(OMX:NAURo) - (together with its subsidiaries "Northland", "NRSA" or the "Company") **announces the number of warrants exercised in March 2014.**

The deadline for the Company's warrant holders to exercise their warrants in March 2014 has now expired. The Company has received no exercise notices in March 2014.

The total number of outstanding shares will thus remain 59,435,320, and the remaining number of outstanding warrants issued in connection with the USD 335 million bond will be 46,886,559.

Northland is a producer of iron ore concentrate, with a portfolio of production, development and exploration mines and projects in northern Sweden and Finland. The first construction phase of the Kaunisvaara project is complete and production ramp-up started in November 2012. The Company expects to produce high-grade, high-quality magnetite iron concentrate in Kaunisvaara, Sweden, where the Company expects to exploit two magnetite iron ore deposits, Tapuli and Sahavaara. Northland has entered into off-take contracts with three partners for the entire production from the Kaunisvaara project over the next seven to ten years. The Company is also preparing a Definitive Feasibility Study ("DFS") for its Hannukainen Iron Oxide Copper Gold ("IOCG") project in Kolari, northern Finland.

Forward-Looking Information

This announcement may include "forward-looking" information within the meaning of applicable securities laws. This forward-looking information can be identified by the use of forward-looking terminology, including the terms "believes", "estimates", "anticipates", "expects", "intends", "may", "will" or "should" or, in each case, their negative, or other variations or comparable terminology. This forward-looking information includes all matters that are expectations concerning, among other things, Northland's results of operations, financial condition, liquidity, prospects, growth, strategies and the industry in which it operates. By their nature, forward-looking information involves risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future.
