VANCOUVER, April 11, 2014 - [Turnberry Resources Ltd.](#) (TSX VENTURE:TUR) ("Turnberry" or, the "Company") is pleased to announce that, further to its press release of February 24, 2014 it has executed a definitive agreement with [Anthem United Inc.](#) ("Anthem United") and the securityholders of Anthem United in respect of the acquisition of all the issued and outstanding securities of Anthem United. In addition, the Company is also pleased to announce an increase to its previously announced private placement financing (the "Private Placement").

The principal asset of Anthem United is a 75% interest in a joint venture currently developing a 350 tonne per day custom gold milling operation in Peru (the "Joint Venture"). In addition to cash on hand and the proceeds of the Private Placement, Anthem United has received US\$5.0 million in committed financing pursuant to a gold sales agreement to be provided to Anthem United subject to certain conditions including permitting and construction milestones. Anthem United's partner in the Joint Venture is EMC Green Group S.A., a private Peruvian company focused on the construction and operation of gold processing plants in Peru.

Filing Statement

Turnberry also announces that its filing statement dated April 11, 2014 with respect to the acquisition of Anthem United has been filed and is available on SEDAR at www.sedar.com.

Private Placement

The Company advises that the Private Placement will be increased to up to 25,239,500 units (the "Units") at a price of \$0.20 per Unit for gross proceeds of up to \$5,047,900. A portion of the Private Placement is to be conducted on a non-brokered basis, whereby up to 12,739,500 Units will be offered for gross proceeds of up to \$2,547,900. The remaining portion of the Private Placement will be comprised of the Brokered Private Placement (as discussed below).

Each Unit is comprised of one common share and one-quarter of one common share purchase warrant (each whole warrant, a "Warrant"). Each Warrant will entitle the holder thereof to acquire one additional common share at a price of \$0.35 for a period of five years following the date of the closing of the Private Placement. The common shares, Warrants and any common shares issued upon the exercise of the Warrants are subject to a four month and one day hold period.

It is anticipated that the Private Placement will be completed contemporaneously with the completion of the acquisition of Anthem United and that proceeds from the Private Placement will be used by the Company for general working capital and to fund the Joint Venture for the construction and commissioning of the gold milling operation.
