## Advisory on Forward Looking Statements

Certain information set forth in this document contains forward-looking statements that involve substantial known and unknown risks and uncertainties. The use of any of the words "will", "expect", "intend", "anticipate" or other similar words, or statements that certain events or conditions "may" or "will" occur are intended to identify forward-looking statements. In particular, forward-looking statements contained in this document include, but are not limited to, the terms of the Arrangement and the anticipated timing of closing of the Arrangement. Readers are cautioned that the foregoing list of factors is not exhaustive. Failure to satisfy the conditions to completion of the Arrangement may result in the Arrangement not being completed on the proposed terms, or at all and the anticipated closing date may change for a number of reasons, including the need for additional time to satisfy the other conditions to the completion of the Arrangement. With respect to the forward-looking statements contained in this document, Parex has made assumptions regarding: the ability of each of Parex and Verano to satisfy, in a timely manner, the conditions to the closing of the Arrangement.
