22.07.2014 | Marketwired

Provides Project Update

TORONTO, ONTARIO--(Marketwired - Jul 22, 2014) - **Harte Gold Corp.** **("Harte Gold") (TSX:HRT) (FRANKFURT:H4O)** has raised gross proceeds of $600,000 pursuant to the closing today of a non-brokered private placement of up to 3,333,333 Units priced at $0.225 for gross proceeds of up to $750,000.

Harte Gold issued 2,666,667 Units at $0.225 per Unit. Each Unit consists of one common share and one-half common share purchase warrant. Each full warrant is exercisable at $0.30 for a period of eighteen months from closing. 666,666 Units are available under the private placement until July 31, 2014.

Finder's fees payable in connection with today's closing consist of a cash payment equal to 5% of cash raised and that number of common share purchase warrants equal to 5% of the number of Units issued pursuant to certain orders in the private placement, for a total of $22,500 and 100,000 warrants. Each Finder's warrant is exercisable at $0.24 for a period of eighteen months from closing.

Common share purchase warrants issued under the private placement (Unit and Finder's warrants) are subject to an acceleration clause. In the event the closing price of Harte Gold common shares is equal to or greater than $0.50 for a period of 10 consecutive trading days, Harte Gold may accelerate the expiry date of the warrants by giving notice to the holders thereof through the issuance of a press release. In such case, the warrants will expire on the 30th day after the date on which such notice is given.

Proceeds from the private placement will fund current exploration and development work related to the advanced exploration project at Harte Gold's 100% owned Sugar Zone property and general corporate purposes.

Project Update

The Harte Gold geological team is currently ground proofing Induced Polarization ("IP") targets identified under Phase One and Phase Two IP Programs completed earlier this year. Drilling will commence on Tuesday, August 5, 2014. Harte Gold has signed a diamond drilling contract with Chibougamau Diamond Drilling Ltd. and has received permit approval to begin the drill program. Drill site access trails and drill pads are under construction.
