LONGUEUIL, Sep 4, 2014 - [Avala Resources Ltd.](#) ("Avala") (TSX VENTURE:AVZ) announces that it has received the consent of the TSX Venture Exchange to extend until October 6, 2014, the time in which it can close additional tranches of up to US\$1 million of senior secured convertible debentures to [Dundee Precious Metals Inc.](#) ("DPM"). In its news release of August 14, 2014, Avala had announced having closed an initial tranche of US\$500,000. The convertible debentures issuable under a Debenture Purchase Agreement can be converted, at the option of DPM, into common shares of Avala at any time up to 180 days after maturity of the debenture at a conversion price equal to the greater of (i) C\$0.04 per common share, as that price may be adjusted from time to time upon a corporate reorganization such as a share consolidation (see July 28, 2014 press release) and (ii) C\$0.05 per common share.

The debentures may be issued in reliance upon a prospectus exemption. The debenture and the underlying securities, as applicable, will be subject to a statutory hold period of four months and one day from the date of issuance, in accordance with applicable securities legislation.
