FORWARD LOOKING STATEMENTS

This news release may contain forward-looking statements including management's assessments of future plans and operations, and the anticipated timing of meeting the terms of its joint venture agreement obligations. These statements are based on current expectations that involve a number of risks and uncertainties, which could cause actual results to differ materially from those anticipated. These risks include, but are not limited to, the risks associated with the mining and exploration industry (e.g. operational risks in development, exploration and production; delays or changes in plans with respect to exploration or development projects or capital expenditures), and the uncertainty of the availability of capital. The assumptions used in the preparation of such statements, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The forward-looking statements contained in this news release are made as at the date of this release. Except as required by applicable law, Williams Creek Gold disclaims any intention and assumes no obligation to update or review any forward-looking statements, whether as a result of new information, future events or otherwise.
