29.10.2014 | [Marketwired](#)

CALGARY, ALBERTA -- (Marketwired - Oct. 28, 2014) - [Kallisto Energy Corp.](#) (TSX VENTURE:KEC) (the "Company") announced today that it has set November 7, 2014 as the record date (the "Record Date") for the previously announced rights offering (the "Rights Offering") to the holders ("Shareholders") of common shares of the Company ("Common Shares"). Pursuant to the Rights Offering, each holder of Common Shares on the Record Date will receive one transferable right (a "Right") for every Common Share held. Every six Rights will entitle the holder to purchase one Common Share at a price of \$0.03375 until the Rights expire at 4:00 p.m. (Calgary time) on December 8, 2014 (the "Expiry Date"). There is no additional subscription privilege and no standby commitment in respect of the Rights Offering. The completion of the Rights Offering is not subject to the Company receiving any minimum amount of subscriptions from shareholders.

The Rights Offering will be made in each of the provinces of Canada, other than Quebec, and in such other jurisdictions where the Company is eligible to make such offering (the "Qualifying Jurisdictions"). Details of the Rights Offering are described in the Rights Offering Circular (as defined below) to be mailed to Shareholders in connection with the Rights Offering as soon as practicable following the Record Date. A copy of the Rights Offering Circular can also be accessed under the Company's profile on [www.sedar.com](#).

The Rights and the Common Shares issuable upon exercise thereof will be listed on the TSX Venture Exchange (the "TSXV"). The Common Shares are expected to commence trading on an ex-rights basis at the opening of business on November 5, 2014. This means that Common Shares purchased through the facilities of the TSXV on or following November 5, 2014 will not be entitled to receive Rights under the Rights Offering. At that time, the Rights are expected to be posted for trading on a "when issued" basis on the TSXV under the symbol "KEC.RT". Trading of the Rights is expected to continue until 10:00 a.m. (Calgary time) on the Expiry Date.

In accordance with the terms of the reorganization and investment agreement dated September 15, 2014 among the Company and Barry Olson, Donald Sabo, Greg Phaneuf, Elizabeth More, Neil Wilson, Kellie D'Hondt and Paul Storey, subscribers in the Company's private placement which closed on October 1, 2014 (the "Private Placement"), have agreed not to participate in the Rights Offering and will not be entitled to exercise, sell or convey any Rights issued in respect of Common Shares acquired in the Private Placement or Common Shares issued on the exercise of warrants acquired in the Private Placement. Accordingly, a maximum of approximately 16,821,046 million Common Shares are issuable pursuant to the Rights Offering for maximum aggregate gross proceeds of approximately \$567,710.30. The Company intends to use the proceeds of the Rights Offering for capital expenditures and general corporate purposes.

Pursuant to the requirements under applicable securities legislation, a rights offering circular of the Company dated October 28, 2014 (the "Rights Offering Circular") has been filed with the securities regulatory authorities in the Qualifying Jurisdictions. The Rights Offering Circular and related materials will be delivered to all shareholders of the Company as of the Record Date. Rights certificates (the "Rights Certificates") will be issued and forwarded by the Company only to holders of Common Shares who are resident in one of the Qualifying Jurisdictions.

Registered shareholders wishing to exercise their rights must forward the completed Rights Certificates together with the applicable funds to the subscription agent for the Rights Offering, Alliance Trust Company (the "Subscription Agent"), by 4:00 p.m. (Calgary time) on the Expiry Date. Shareholders who own their Common Shares through an intermediary, such as a bank, trust company, securities dealer or broker, will receive materials and instructions from their intermediary.

Rights Certificates will not be issued and forwarded by the Company to holders of Common Shares not resident in the Qualifying Jurisdictions. Instead, Rights otherwise issuable to such holders will be issued to and held, as agent, by the Subscription Agent, which will use its reasonable commercial efforts to sell the Rights on behalf of all such holders prior to the Expiry Date and then forward the net proceeds pro rata to such holders.

Completion of the Rights Offering is subject to receiving all necessary regulatory approvals, including, but not limited to, the TSXV.
