Webcasts of certain presentations will be made available on Victory Energy's website at <http://ir.vyey.com/ir-calendar>.

About Executive Oil Conference

For the last 19 years the Executive Oil Conference has brought thousands of oil and gas industry executives and managers to Midland, Texas, for education, networking and deal making -- all with one focus: the management of oil and gas property portfolios. This year's conference promises to be even better! The 2014 Executive Oil Conference is the connection to this world-class resource play. With 800+ attendees, 15+ executive-level speakers, 60+ exhibitors showcasing solutions, and 4+ hours of exclusive networking opportunities. For more information, please visit the conference website at www.executiveoilconference.com.

About LD Micro Conference

The LD Micro Conference is a three-day conference organized by LD Micro, an internet-based newsletter that provides self-directed investors information on selected public companies that in the opinion of LD Micro have great investment potential. More than two hundred institutions focused on small and micro-cap stocks are expected to attend. For more information, please visit the conference website at <http://www.ldmicro.com/>.

About Victory Energy

[Victory Energy Corporation](#) (OTCQX: VYEV), is a public held, growth-oriented oil and gas exploration and production company based in Austin, Texas, with additional resources located in Midland, Texas. The company is focused on the acquisition and development of stacked multi-pay resource play opportunities in the Permian Basin that offer predictable outcomes and long-lived reserve characteristics. The company presently utilizes low-risk vertical well development, which offers repeatable and profitable outcomes. Current Company assets include interest in proven formations such as the Spraberry, Wolfcamp, Wolfberry, Mississippian, Cline and Fusselman formations. For additional information on the company, please visit www.vyey.com.
