Webcasts of certain presentations will be made available on Arabella's website at <http://ir.arabellaexploration.com/ir-calendar>.

## About OGIS® Florida

The OGIS Florida has become one of the premier outlets for publicly traded independent exploration and production, service and supply and MLP companies to present their company profiles to the investment community.

## About EnerCom's The Oil & Services Conference

EnerCom's The Oil & Gas Conference offers an exceptional roster of speakers, timely and relevant agendas, and ideal locations to discover unique companies. The conference provides presenters with a unique opportunity to meet and network with institutional investors, research analysts and high net worth investors. The Conference offers an unmatched set of vertical communication channels, interviews on world-class cable news programs and live streaming internet audio.

## About Arabella Exploration

[Arabella Exploration Inc.](#) (OTCQB: AXPLF) is an independent oil and natural gas company focused on the acquisition, development and exploration of unconventional, long life, onshore oil and natural gas reserves in the Southern Delaware Basin in West Texas. The Company has an experienced management team with experience drilling multi-lateral wells and is primarily focused on the formations that the industry refers to as the Wolfbone play, which includes the Wolfcamp and Bone Spring shales. The Wolfbone play is characterized by high oil content and liquids rich natural gas, multiple vertical and horizontal target horizons, extensive production history, long-lived reserves and high drilling success rates.

## Safe Harbor

This press release contains forward-looking statements within the meaning of Section 27A of the Securities

Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These statements are subject to known and unknown risks, uncertainties and other factors that may cause actual results, performance or achievements to be materially different from any future results, performance or achievements expressed or implied by such forward-looking statements. Statements preceded or followed by or that otherwise include the words "believes," "expects," "anticipates," "intends," "projects," "estimates," "plans," and similar expressions or future or conditional verbs such as "will", "should", "would", "may" and "could" are generally forward-looking in nature and not historical facts. Forward-looking statements in this release also include statements about business and economic trends. Investors should also consider the areas of risk described under the heading "Forward Looking Statements" and those factors captioned as "Risk Factors" in the Company's periodic reports under the Securities Exchange Act of 1934, as amended, or in connection with any forward-looking statements that may be made by the Company.

The Company also disclaims any duty to comment upon or correct information that may be contained in reports published by the investment community.
