

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Mar 31, 2015) - [Salazar Resources Ltd.](#) (TSX VENTURE:SRL)(FRANKFURT:CCG) (the "Company") - Mr. Fredy Salazar reports that the Company has agreed to sell up to US\$600,000 of Promissory Notes ("Notes"). To date the Company has received US\$200,000 on account of this financing from arm's length parties and is working to close out the balance over the coming days. The proceeds from this financing will be used to pay annual tenure costs for the Company's mining concessions in Ecuador and for general working capital.

The key terms of the Notes to be issued are that they are unsecured, bear interest at 12%, and mature on March 31, 2016. The Company has also agreed to issue to the Note holders advancing US\$600,000 a total of 761,500 non-transferable share purchase warrants. Each share purchase warrant will entitle the holder to purchase one common share at a price of CDN\$0.11 per share for a period of 12 months from closing.

The financing is subject to acceptance of filings with the TSX.V.

Said Mr. Salazar, "After careful consideration we determined to accept this interim financing as it allows us to maintain our core concessions in good standing while we continue to work on a property deal that will be most beneficial to shareholders in the long term."
