

CALGARY, ALBERTA--(Marketwired - Apr 6, 2015) - Zargon Oil & Gas Ltd. (TSX:ZAR) (TSX:ZAR.DB) ("Zargon") will be presenting at the CAPP Scotiabank Investment Symposium in Toronto, Canada on April 9, 2015.

Zargon's updated presentation is posted on its website at www.zargon.ca. This presentation includes updated production data for Zargon's Little Bow Alkaline Surfactant Polymer ("ASP") tertiary recovery project.

Based in Calgary, Alberta, Zargon's securities trade on the Toronto Stock Exchange and there are currently 30.274 million common shares outstanding.

Zargon Oil & Gas Ltd. is a Calgary based oil and natural gas company working in the Western Canadian and Williston sedimentary basins and is focused on oil exploitation projects (waterfloods and recently tertiary ASP) that profitably increase oil production and recovery factors from existing oil reservoirs. Ultimately, these projects will provide a long-life low-decline oil production that will support many years of stable dividends.
