

White Rock, British Columbia (FSCwire) - [Standard Tolling Corp.](#) (TSX-V: TON, Frankfurt: GA0, “Standard Tolling” or the “Company”) announces, subject to TSX Venture Exchange acceptance, that the Company has engaged Brisco Capital Partners Corp (“Brisco”) as an Investor Relations consultant to the Company. The agreement between Standard Tolling and Brisco provides for an initial term of one year, and after the first six months may be terminated by either party with 30 days written notice. Brisco will be paid, from working capital, a monthly fee of \$7,500 and will be eligible for participation in the Company’s incentive stock option plan.

Brisco, founded by Scott Koyich is a Calgary-based firm with a North American presence. Under the direction of the Company, Brisco and Scott Koyich will initiate and maintain contact with the financial community, shareholders, investors and other stakeholders for the purpose of increasing awareness of the Company and its activities. Brisco takes a full service approach and provides creative and effective investor relations programs for Canadian public companies.

Leonard Clough, CEO of the Company commented: “Scott’s appointment is another example of our commitment to attracting industry leading talent in every single aspect of our business. As our plant nears completion, we need a solid marketing strategy to share our story with the investment community. We remain committed to achieving robust cash flows in the near term with significant near-term scale opportunities beyond that.”

About Standard Tolling Corp.

Standard Tolling is currently constructing a 100 TPD custom gold processing plant in order to service the local mining communities of Northern Peru. The Company will purchase ore from government permitted small-scale miners and formal mining companies permitted under a Certificate of Mining. The Company will then process the ore and sell gold dore. The plant is located within a prolific gold belt with close proximity to Rio Alto’s La Arena gold mine. The Company is well funded and is on track to commence operations at the rate of 100 TPD by late June 2015.

ON BEHALF OF THE BOARD

“Len Clough”

Mr. Len Clough, Chairman, President, CEO and Director
