#### Forward-Looking Statement

This news release includes information that constitutes "forward-looking information" or "forward-looking statements". More particularly, this news release contains statements concerning expectations regarding the addition of a new debt facility and the timing thereof. The forward-looking statements contained in this document and the assumptions, opinions and views of the Company relating thereto are solely opinions and forecasts which are uncertain and subject to risks. A multitude of factors can cause actual events to differ significantly from any anticipated developments and although the Company believes that the expectations represented by such forward-looking statements are reasonable, undue reliance should not be placed on the forward-looking statements because there can be no assurance that such expectations will be realized. Material risk factors include, but are not limited to: the risks of the oil and gas industry in general, such as operational risks in exploring for, developing and producing crude oil and natural gas, market demand and unpredictable shortages of equipment and/or labour; potential delays or changes in plans with respect to exploration or development projects or capital expenditures; fluctuations in oil and gas prices, foreign currency exchange rates and interest rates, sources and availability of debt capital and reliance on industry partners.

The forward-looking statements contained in this document are made as of the date hereof and the Company undertakes no obligation to update publicly or revise any forward-looking statements or information, whether as a result of new information, future events or otherwise, unless so required by applicable securities laws.

Neither the Company nor any of its subsidiaries nor any of its officers, directors or employees guarantees that the assumptions underlying such forward-looking statements are free from errors nor does any of the foregoing accept any responsibility for the future accuracy of the opinions expressed in this document or the actual occurrence of the forecasted developments.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
