Discovery Minerals Reveals New Label for Premium Flavor Hemp Seeds

LOS ANGELES, CA / ACCESSWIRE / April 27, 2015 / [Discovery Minerals Ltd.](#) (OTC PINK: DSCR) (PINKSHEETS: DSCR) and AB AGRO Technologies Inc. (AB AGRO) are pleased to announce the initial flavor for I-B8's Premium Flavor Hemp Seeds will be "Big Game Brisket." The Big Game Brisket flavor is a combination of sweet smoky hickory edge with a spicy bite to finish. A second flavor is in the works and will be announced soon.

Discovery and AB AGRO are currently arranging for the transportation of the hemp seeds to the Mercer Seed Ltd. processing facility in Lethbridge, Alberta where they will be washed and made "non-viable." AB AGRO is also working with Cole International, the customs brokers, to ensure that all of the required FDA, US Customs and DEA documents are prepared for the hemp seed to be inspected before crossing the border to be delivered to roasting facilities in the United States.

AB AGRO is in the process of arranging for hemp seed samples to be sent to Sungold Foods/Red River and Friederichs Seed, Inc., the two selected roasting/salting companies, for production and processing line testing. I-B8 has sunflower seeds and bottles currently on order and once delivered to I-B8's facility, final production, flavoring and packaging can occur.
