

SAN ANTONIO, June 17, 2015 /PRNewswire/ -- Pioneer Energy Services (NYSE: PES) today announced that the Company's senior management will participate in the GHS 100 Energy Conference to be held from June 22-24, 2015 in Chicago.

Dan Petro, Pioneer's Director of Corporate Development and Investor Relations, will make a presentation at 3:30 p.m. Central Time (4:30 p.m. Eastern Time) on Tuesday, June 23. The presentation will provide an update on the Company's operations and certain recent developments. To listen to the live audio webcast, view Pioneer's slideshow and download the presentation materials, visit the Company's website at www.pioneerenergy.com. A replay of the webcast will be available shortly after the presentation is concluded and will be archived for rebroadcast on the Company's website.

About Pioneer

Pioneer Energy Services provides contract land drilling services to independent and major oil and gas operators in Texas, the Mid-Continent and Appalachian regions and internationally in Colombia through its Drilling Services Segment. Pioneer also provides well, wireline, and coiled tubing services to producers in the U.S. Gulf Coast, offshore Gulf of Mexico, Mid-Continent and Rocky Mountain regions through its Production Services Segment.
