

## **Work-in-Progress Presenter Schedule Now Posted; Enterprise Values of Presenting Companies Range From \$9 million to \$160 Billion**

DENVER, CO--(Marketwired - Jul 21, 2015) - EnerCom, Inc. will host The Oil & Gas Conference® 20, August 16-20, 2015, in Denver at the Westin Denver Downtown. The Conference is the oldest and largest energy investment conference hosted in Denver. Investment and oil and gas professionals interested in attending the event can register through the conference website.

Conference Details: The Oil & Gas Conference® 20 forum offers investment professionals the opportunity to listen to senior management teams present their strategies and provides industry professionals a venue to learn about important energy topics affecting the global oil and gas industry.

Who are the Presenters: The 2015 edition of EnerCom's The Oil & Gas Conference® will host more than 100 presenting companies with operations spanning more than 40 countries and six continents. Enterprise values of the presenters range from approximately \$9 million to \$160 billion. The 2015 work-in-progress presenter schedule can be found on the conference website.

Who Attends the Conference: More than 2,000 institutional and hedge fund investors, energy research analysts, retail brokers, trust officers, high net worth investors, investment bankers and energy industry professionals gather in Denver each year to access and hear from the leading oil and gas executive management teams.

One-on-One Meetings: EnerCom works in advance with presenting company management teams to arrange one-on-one meetings with the attending institutional investors and research analysts at the conference venue. In 2014, EnerCom organized more than 2,000 one-on-one meetings.

History and Sponsors: EnerCom, Inc. founded The Oil & Gas Conference® in 1996. Global sponsors of EnerCom's Conferences are Credit Agricole Corporate & Investment Bank; Netherland, Sewell & Associates; Preng & Associates; and Hein & Associates LLP. Sponsors of The Oil & Gas Conference® 20 are: GMP Securities; Wells Fargo & Co.; BMO Capital Markets; CIBC; Stephens Inc.; Royal Dutch Shell plc; Mutual of Omaha Bank; Wunderlich Securities; Fifth Third Bank; PNC Bank; Scotia Howard Weil; Haynes and Boone; Petrie Partners; DNB Bank ASA; US Bank; and Bank of America Merrill Lynch.

### **About EnerCom, Inc.**

## About PNC Bank

The PNC Financial Services Group is one of the nation's largest diversified financial services organizations providing retail and business banking; residential mortgage banking; specialized services for corporations and government entities, including corporate banking, real estate finance and asset-backed lending; wealth management and asset management.

## About Scotia Howard Weil

Scotiabank is a leading global bank that provides a broad array of financial products and services to the energy industry in over 50 countries. Our sophisticated energy platform fully integrates equity, debt, corporate lending, commodity hedging and capital markets solutions for energy sector companies in North America and around the world.

Scotia Howard Weil provides equity research, institutional sales and trading, and equity capital markets services, with an exclusive focus on the energy industry. Scotia Howard Weil's equity research professionals cover over 140 energy companies operating in the following sectors - European Integrated Oils/Independent Refiners, Infrastructure MLPs, Exploration and Production, Oilfield Equipment & Services, Appalachian Energy, and Coal Producers. Given the firm's exclusive focus on the energy industry, Scotia Howard Weil sales and trading professionals possess a deeper understanding of energy-industry and company-specific events and trends than professionals at more diversified firms. Focused on optimizing your growth strategy, Scotia Howard Weil brings deep industry knowledge, experience, relationships and broad distribution capabilities to each transaction we execute in the U.S. energy equity capital markets. Scotia Howard Weil is a leading manager of equity capital markets transactions in the energy industry, having completed over 50 such transactions since 2014.

Scotiabank's oil and gas M&A arm, Scotia Waterous, is a global leader in oil and gas M&A, offering corporate M&A, asset acquisition and divestiture, and corporate finance services to its international clientele. With over 200 mandates completed since 2006 worth more than \$167 billion, Scotia Waterous provides best-in-class advisory solutions to enhance your strategic decision making. Scotia Waterous is a technically focused advisor with over 110 integrated and highly experienced technical and corporate professionals based around the world.

For more info, visit: [www.gbm.scotiabank.com/energy](http://www.gbm.scotiabank.com/energy), [www.howardweil.com](http://www.howardweil.com) and [www.scotiawaterous.com](http://www.scotiawaterous.com).

#### About Haynes and Boone

Oil and gas is and has always been a volatile business, and today's environment is no exception. Haynes and Boone, LLP is an energy focused corporate law firm, providing a full spectrum of legal services to our clients across the oil and gas industry, including the upstream, midstream, and downstream sectors. Evidence of our commitment to the industry is our opening of our Denver office this year to better serve our energy clients along with our existing offices in Texas, New York, California, Washington, D.C., Shanghai and Mexico City. Haynes and Boone lawyers from all offices work as a team to meet the legal needs of our domestic and international clients involved in oil and gas. We represent domestic and foreign public and private companies engaged in the dynamic day-to-day work of finding and extracting energy in the form of oil and gas and the banks, investment funds and other investors that support them.

Our team of more than 100 energy lawyers, landmen and analysts understands the domestic and international physical and financial energy markets, and the firm has been helping both operators and lenders complete some of the largest financings to date in 2015. With more than 550 attorneys, Haynes and Boone is ranked among the largest law firms in the nation by The National Law Journal.

For more info, visit [www.haynesboone.com](http://www.haynesboone.com).

#### About Petrie Partners

Petrie Partners, LLC is a boutique investment banking firm offering financial advisory services to the oil and gas industry. We provide specialized advice on mergers, divestitures and acquisitions and private placements.

The firm was formed in 2011 (as Strategic Energy Advisors) by senior bankers formerly with Bank of America Merrill Lynch and Petrie Parkman & Co., an investment bank that built a reputation as a most trusted advisor to energy clients during the nearly two decades leading up to its merger into Merrill Lynch in 2006.

Through tenure with Petrie Parkman, Merrill Lynch and Bank of America Merrill Lynch, the senior members of the Petrie team bring to bear an average of more than 25 years of energy investment banking experience, including over 300 energy M&A and capital raising transactions representing over \$350 billion of aggregate consideration.

#### About DNB ASA

DNB is Norway's largest financial services provider, with total assets approaching \$400 billion. The bank has for years been a major provider of capital to the oil & gas industry, growing up literally side by side with the highly prolific fields developed in the Norwegian Sector of the North Sea. The Oslo Energy Office maintains a global financing strategy, and serves this market through multiple offices around the world including Houston, London and Singapore.

Energy Americas, based in Houston, comprises approximately 20 seasoned energy finance professionals. Aside from facilitating

the bank's global business strategies, the office concentrates primarily on serving middle market and larger customers in the four principal oil & gas sectors -- upstream, midstream, downstream and service -- as well as in Power and Renewables. The bank offers a variety of financial products, from traditional oil & gas reserve financing, to longer-term capital markets transactions and merger/acquisition advisory services through its broker-dealer arm, DNB Markets, Inc. Ancillary service capabilities include cash management/depository services, as well as commodity and interest rate hedging.

## About U.S. Bank

The U.S. Bank Energy Industries division provides corporate banking products and services to the energy industries, including the upstream, midstream and refining sectors of the oil and gas industry. Based in Denver, CO, the group employs 30 professionals covering the entire United States. The U.S. Bank Energy Industries division offers a full spectrum of banking solutions, including capital markets, loan syndications, private placements, leasing, treasury management and payment services. For more information, contact the U.S. Bank Energy Industries division at 303-585-4218.

U.S. Bancorp (NYSE: USB), with \$403 billion in assets as of December 31, 2014, is the parent company of U.S. Bank, the fifth-largest commercial bank in the United States. The company operates 3,176 banking offices in 25 states, 5,022 ATMs, and provides a comprehensive line of banking, brokerage, insurance, investment, mortgage, trust and payment services products to consumers, businesses and institutions. U.S. Bancorp and its employees are dedicated to improving the communities they serve, for which the company earned the 2011 Spirit of America Award, the highest honor bestowed on a company by United Way. Visit U.S. Bancorp on the web at [usbank.com](http://usbank.com).

## About Bank of America Merrill Lynch

### Bank of America Merrill Lynch Oil and Gas Group

The Bank of America Merrill Lynch (BofAML) Oil and Gas practice is comprised of a global team of bankers dedicated to covering the energy industry, dating back to the 1920s when Texas predecessor banks pioneered reserve-based lending. The practice includes an experienced in-house Petroleum Engineering team with over 150 years of combined experience. With one of the only full-service financial energy platforms in the industry, the BofAML oil and gas team manages significant capital commitments in the energy sector with dedicated bankers based in Calgary, Denver, Dallas, Houston, London and New York.

The BofA Merrill Lynch Global Research platform offers clients access to information and actionable ideas on stocks, bonds, economics and investment strategies. With approximately 700 analysts in more than 20 countries, we offer our clients knowledge about economic and business developments that are having an impact on the markets, so that they can work with their financial advisors to make the most of opportunities. BofA Merrill Lynch Global Research was ranked No. 1 for the fourth consecutive year on the 2014 list of *Top Global Research Firms, Institutional Investor*.

## Bank of America

Bank of America is one of the world's largest financial institutions, serving individual consumers, small and middle-market businesses and large corporations with a full range of banking, investing, asset management and other financial and risk management products and services. The company provides unmatched convenience in the United States, serving approximately 48 million consumer and small business relationships with approximately 4,800 retail financial centers and approximately 15,900 ATMs and award-winning online banking with 31 million active users and approximately 17 million mobile users. Bank of America is among the world's leading wealth management companies and is a global leader in corporate and investment banking and trading across a broad range of asset classes, serving corporations, governments, institutions and individuals around the world. Bank of America offers industry-leading support to approximately 3 million small business owners through a suite of innovative, easy-to-use online products and services. The company serves clients through operations in all 50 states, the District of Columbia, the U.S. Virgin Islands, Puerto Rico and more than 35 countries. Bank of America Corporation stock (NYSE: BAC) is listed on the New York Stock Exchange.
