

Vancouver, BC / TheNewswire / November 2, 2015 [Intigold Mines Ltd.](#) (IGD - TSX-V) announces the following update with respect to the corporate affairs of the Company.

OTCQB LISTING

The Company has jointly listed on to the OTCQB Marketplace (the "OTCQB") on October 22, 2015. The symbol "IDMNF" remains the same. The OTCQB is for entrepreneurial and development stage U.S. and international companies. Companies must be current in their reporting and undergo an annual verification and management certification process. These standards provide a strong baseline of transparency, as well as the technology and regulation to improve the information and trading experience for investors.

MINERAL PROPERTIES

Scandie Property, British Columbia

The Company owns a 100% interest in the Scandie Property located in the Beaverdell area of the Greenwood Mining Division, British Columbia. The Scandie Property is a poly-metallic property and the target minerals are lead, zinc, copper and silver with +/- gold. The Scandie Property is in good standing until July 15th, 2017. No further expenditures are required to maintain this property at this time.

Donnamore Property, British Columbia, Canada

The Company owns a 100% interest in certain mining claims located in the Adams Lake area of the Kamloops Mining Division, British Columbia. The Donnamore Property is a VMS (Volcanic Massive Sulphide) property with lead, zinc, copper and silver with +/- gold. The Donnamore Property is in good standing until August 15th, 2022, and no further work is required to maintain this property at this time.

FINANCING

On July 22, 2015, the Company announced a non-brokered private placement (the "Private Placement") of 1,500,000 units at a price of \$0.20 per unit for gross proceeds of \$300,000. Each unit would have consisted of one common share and one common share purchase warrant with each warrant entitling the holder to purchase one additional common share at a price of \$0.25 per share for a period of two years from closing. On September 25, 2015, the Company announced that the Private Placement had been repriced and would consist of 2,000,000 units at a price of \$0.15 per unit raising gross proceeds of \$300,000. Each unit will consist of one common share and one common share purchase warrant with each Warrant entitling the holder to purchase one additional common share at a price of \$0.20 per share for a period of 24 months from closing. The Private Placement is subject to regulatory approval.

TTAGIT SOCIAL NETWORKS INC.

TTAGIT is a commenting platform which allows you to talk over top of any web page or URL without any permission and it also leaves the comments at the source where they belong. TTAGIT allows users to "Put Their Mark on Anything."
