

CARDSTON, ALBERTA--(Marketwired - Nov 12, 2015) - American Creek Resources Ltd. (TSX VENTURE:AMK) ("the Corporation") today announced that it has closed the private placement previously announced on September 28, 2015. A total of 200,000 flow-through units ("FT Units") were subscribed for in the final tranche at a price of \$0.05 per FT Unit for gross proceeds of \$10,000. Each FT Unit consists of one flow-through common share of the Corporation and one non-transferrable, non flow-through common share purchase warrant ("Warrant"). Each Warrant may be exercised for one additional common share for a period of 30 months from the closing date of the offering at a price of \$0.08 if exercised in the first 24 months and \$0.10 thereafter if exercised in the remaining 6 month period.

The common shares and warrants issued in this Offering are subject to a hold period of four months plus a day from issuance.

Proceeds from this private placement will be used for exploration related expenses.

This private placement is subject to approval by the TSX Venture Exchange.
