

TORONTO, Dec. 1, 2015 (GLOBE NEWSWIRE) -- [Victory Nickel Inc.](http://www.victorynickel.ca) ("Victory Nickel" or the "Company") (TSX:NI, www.victorynickel.ca) today announced that it has received a letter from the Toronto Stock Exchange (the "TSX") advising that the Continued Listing Committee of the TSX has determined to defer its delisting decision until no later than January 6, 2016 following a meeting on January 5, 2016 to consider whether the Company has met the listing requirements of the exchange. A delisting decision was previously scheduled for no later than December 4, 2015.

It is the intent of the Company to maintain a public listing for the Company's shares. In addition to working with the TSX during this period, management is evaluating alternative listing options. There can be no assurance that the Company will be able to achieve compliance with the TSX's listing requirements within the required time frame or that it will secure an alternative listing.

The Company recently announced a debt restructuring package (see news release dated November 26, 2015). Completion of the restructuring with the secured lender, unsecured lenders and trade creditors is subject to normal regulatory approvals and final documentation. There can be no assurance that the Company will complete its debt restructuring and there is no certainty as to what steps creditors may take in light of current defaults.

About Victory Nickel

[Victory Nickel Inc.](http://www.victorynickel.ca) is a Canadian company with four sulphide nickel deposits containing significant NI 43-101-compliant nickel resources and a significant frac sand resource at its Minago project. Victory Nickel is focused on becoming a mid-tier nickel producer by developing its existing properties, Minago, Mel and Lynn Lake in Manitoba, and Lac Rocher in northwestern Québec, and by evaluating opportunities to expand its nickel asset base. Through a wholly-owned subsidiary, Victory Silica Ltd., Victory Nickel is establishing a presence in the frac sand market prior to commencing frac sand production and sales from Minago.

Forward-Looking Information: This news release contains certain forward-looking information. All information, other than information regarding historic fact that addresses activities, events or developments that the Company believes, expects or anticipates will or may occur in the future is forward-looking information. Forward-looking information contained in this news release includes, but is not limited to, the ability of the Company to restructure its debt with the relevant lenders and the ability of the Company to pay future interest and other payments in connection with such debts. The forward-looking information contained in this news release reflects the current expectations, assumptions and/or beliefs of the Company based on information currently available to the Company. With respect to the forward-looking information contained in this news release, the Company has made assumptions regarding, among other things, the ability of the Company to restructure its debts. The forward-looking information contained in this news release is subject to a number of risks and uncertainties that may cause actual results or events to differ materially from current expectations, including an unwillingness of the Company's lenders to refinance the Company's debts on terms favourable to the Company or at all and the ability of the Company to continue selling frac sand. Additionally, if the Company is unable to restructure its debts, obtain additional financing and/or continue generating revenue through the sale of frac sand, the Company may be required to curtail activities and/or liquidate its assets or the Company's creditors may seek to seize its assets. Any forward-looking information speaks only as of the date on which it is made and, except as may be required by applicable law, the Company disclaims any obligation to update or modify such forward-looking information, either because of new information, future events or for any other reason. Although the Company believes that the assumptions inherent in the forward-looking information are reasonable, forward-looking information is not a guarantee of future performance and accordingly undue reliance should not be put on such information due to the inherent uncertainty therein.
