04.12.2015 | [Marketwired](#)

CALGARY, December 04, 2015 - [Canamax Energy Ltd.](#) ("Canamax" or the "Corporation") is pleased to announce that it has entered into a definitive arrangement agreement (the "Arrangement Agreement"), pursuant to which a group consisting of Edge Natural Resources LLC ("Edge"), the senior management of the Corporation and certain other shareholders will acquire all of the issued and outstanding common shares of Canamax (the "Canamax Shares") at a price of \$0.67 per Canamax Share. The transaction is valued at approximately \$82 million, including the payout of all of the Corporation's "in-the-money" outstanding stock options, the assumed estimated net debt and the value of approximately 17 million Canamax Shares held directly or indirectly, or over which control and direction is exercised, by certain executive officers, directors and consultants of Canamax, including Brad Gabel, President and Chief Executive Officer, Chris Martin, Vice President, Finance and Chief Financial Officer, Jeremy Krukowski, Vice President, Operations and Chief Operating Officer, Ian Buchanan, General Counsel and Corporate Secretary, Harry Knutson, Rob Klettli and certain other shareholders, including 32 Degrees Diversified Energy Fund II (Canadian) LP (collectively, the "On-Going Shareholders") and 32 Degrees Diversified Energy Fund II (US) LP (the "Non-Resident Fund").

The Arrangement Agreement provides that 1936003 Alberta Ltd. ("AcquisitionCo") will acquire all of the Canamax Shares pursuant to a plan of arrangement under the Business Corporations Act (Alberta) (the "Arrangement"). AcquisitionCo is a wholly-owned subsidiary of ENR Partners LP (the "ENR Fund"), a Delaware limited partnership managed by Edge, which has guaranteed the obligations of AcquisitionCo under the Arrangement Agreement. Pursuant to the Arrangement, each Canamax shareholder, other than the On-Going Shareholders and the Non-Resident Fund (collectively, the "Public Shareholders"), will receive \$0.67 in cash in exchange for each Canamax Share held. This purchase price represents a 100% premium to the closing price of the Canamax Shares on the TSX Venture Exchange (the "Exchange") on December 3, 2015 and a 92% premium to the volume-weighted average trading price of the Canamax Shares over the last five trading days. The cash purchase price payable to the Public Shareholders is being financed by the ENR Fund. Each Canamax Share held by the On-Going Shareholders (other than those Canamax Shares held in tax exempt plans) will be transferred to AcquisitionCo in exchange for one common share in the capital of AcquisitionCo. Each Canamax Share held by the Non-Resident Fund will be transferred to AcquisitionCo in exchange for unsecured, non-interest bearing promissory notes of AcquisitionCo. The outstanding warrants to purchase Canamax Shares (the "Canamax Warrants"), which have an exercise price of \$2.40 and expire on March 31, 2016, will be cancelled for a cash payment equal to \$0.001 for each Canamax Warrant. The outstanding stock options to purchase Canamax Shares that are "out-of-the-money" will also be cancelled for a cash payment equal to \$0.001 for each "out-of-the-money" stock option.

The Board of Directors of Canamax (the "Board") formed a committee of independent directors (the "Independent Committee"), to, among other things, review and evaluate the terms of the proposal from AcquisitionCo, to make a recommendation to the Board in respect of the proposal and to negotiate the terms and conditions of the Arrangement Agreement and related matters.

GMP Securities LP, independent financial advisor to the Independent Committee, has provided the Board with a fairness opinion that the cash consideration to be paid to the Public Shareholders pursuant to the Arrangement is fair, from a financial point of view, to such Public Shareholders.

The entering into of the Arrangement was unanimously recommended to the Board by the Independent Committee. The Board, with interested directors abstaining, after receiving the unanimous recommendation of the Independent Committee, has unanimously determined that the Arrangement is in the best interests of Canamax and that the Arrangement is fair to the Public Shareholders. The Board, with interested directors abstaining, has unanimously approved the Arrangement Agreement, the Arrangement and the transactions contemplated thereby and has resolved to recommend that Canamax shareholders and warrant holders vote in favour of the Arrangement.

All of the members of the Board and Canamax's executive officers and certain Canamax securityholders, who collectively own approximately 16% of the outstanding Canamax Shares, have entered into voting support agreements with AcquisitionCo pursuant to which they have agreed to vote their Canamax Shares and Canamax Warrants in favour of the Arrangement, subject to the provisions thereof.

The Arrangement is subject to customary Exchange, court and regulatory approvals, including, but not limited to, the approval of at least 66 2/3% of the votes cast in person or by proxy at a special meeting of Canamax shareholders and Canamax warrant holders, voting together as a single class, and the approval of a "majority of the minority" of the Corporation's shareholders and warrant holders, being a majority of the votes cast by shareholders and warrant holders (voting together as a single class) excluding securityholders whose votes may not be included in determining if minority approval is obtained pursuant to Multilateral Instrument 61-101 Protection of Minority Securityholders in Special Transactions. Closing of the Arrangement is also subject to the satisfaction of a number of conditions precedent customary for transactions of this nature. The special meeting of Canamax to consider the Arrangement is expected to be held on or about January 15, 2016. An information circular in connection with the Arrangement is expected to be mailed to Canamax securityholders by December 24, 2015, with closing expected to occur on or about January 18, 2016.

The Arrangement Agreement provides that Canamax will not solicit, assist, initiate, facilitate or encourage any discussions, negotiations, proposals or offers concerning the pursuit of any alternative acquisition proposals. However, Canamax is able to respond to alternative proposals that could result in a "superior proposal" (as defined in the Arrangement Agreement). AcquisitionCo has the right to match any competing superior proposal for Canamax in the event a superior proposal is made. Canamax has agreed to pay a termination fee of \$3,930,000 in certain circumstances including, where the Arrangement Agreement is terminated due to a superior proposal. Canamax has also agreed to pay an expense reimbursement of up to \$1,000,000 to AcquisitionCo if the Arrangement does not close in certain circumstances.

Following the Arrangement, the Canamax Shares and Canamax Warrants will be de-listed from the Exchange, and Canamax will continue to be run by its current management team.

Concurrent with the closing of the Arrangement, the ENR Fund has agreed to provide up to an additional \$20 million capital commitment to Canamax for future growth and acquisitions.
