

HOUSTON, Jan. 28, 2016 /PRNewswire/ -- [Oasis Petroleum Inc.](#) (NYSE: OAS) ("Oasis" or the "Company") announced today that it has priced an underwritten public offering of 34,000,000 shares of common stock for total gross proceeds (before the underwriter's discounts and commissions and estimated offering expenses) of approximately \$160 million. Oasis intends to use the net proceeds of this offering for general corporate purposes and to fund a portion of its 2016 capital expenditures. Oasis granted the underwriter a 30-day option to purchase up to 5,100,000 additional shares of common stock. The offering is expected to close on January 28, 2016.

Citigroup is acting as sole book-running manager for the offering. The underwriter has offered the shares of common stock from time to time in one or more transactions in the over-the-counter market or through negotiated transactions at market prices or at negotiated prices.

The offering is being made pursuant to an effective shelf registration statement, which has been filed and became effective July 15, 2014. The offering will be made only by means of a preliminary prospectus supplement and the accompanying base prospectus, copies of which may be obtained on the Securities and Exchange Commission's website at [www.sec.gov](http://www.sec.gov). Alternatively, the underwriter will arrange to send you the preliminary prospectus supplement and related base prospectus if you request them by contacting:

#### Forward-Looking Statements

This press release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical facts, included in this press release that address activities, events or developments that the Company expects, believes or anticipates will or may occur in the future are forward-looking statements. Without limiting the generality of the foregoing, forward-looking statements contained in this press release specifically include the expectations of plans, strategies, objectives and anticipated financial and operating results of the Company, including the Company's drilling program, production, derivatives activities, capital expenditure levels, estimated proved reserves and other guidance included in this press release. These statements are based on certain assumptions made by the Company based on management's experience and perception of historical trends, current conditions, anticipated future developments and other factors believed to be appropriate. Such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of the Company, which may cause actual results to differ materially from those implied or expressed by the forward-looking statements. These include changes in oil and natural gas prices, the timing of planned capital expenditures, availability of acquisitions, uncertainties in estimating proved reserves and forecasting production results, operational factors affecting the commencement or maintenance of producing wells, the condition of the capital markets generally, as well as the Company's ability to access them, the proximity to and capacity of transportation facilities, and uncertainties regarding environmental regulations or litigation and other legal or regulatory developments affecting the Company's business and other important factors that could cause actual results to differ materially from those projected as described in the Company's reports filed with the SEC.

Any forward-looking statement speaks only as of the date on which such statement is made and the Company undertakes no obligation to correct or update any forward-looking statement, whether as a result of new information, future events or otherwise, except as required by applicable law.
