

TORONTO, March 4, 2016 /CNW/ - [AuRico Metals Inc.](#) (TSX: AMI), ("AuRico" or the "Company") today announced that it has submitted its Environmental Assessment ("EA") application for the Kemess Underground Project to the British Columbia Environmental Assessment Office ("BC EAO") in accordance with the British Columbia Environmental Assessment Act. With the submission of the EA Application to the BC EAO, the 30-day screening period to ensure that the EA Application is complete has now commenced. Once the EA Application has been screened, and if accepted, there is a 180-day period for the BC EAO to complete its review. The BC EAO is managing the environmental assessment in a Substituted Process on behalf of British Columbia and the Canadian Environmental Assessment Agency.

Commenting on today's announcement, Chris Richter, President and CEO of AuRico Metals stated, "The submission of the EA marks another important milestone for the advancement of Kemess, along with the imminent release of an updated Feasibility Study for the Kemess Underground Project and an updated resource estimate for Kemess East. We look forward to the receipt of a government decision on Kemess in the fourth quarter of this year."
