17.05.2016 | [Marketwired](#)

VANCOUVER, May 16, 2016 - [Copper North Mining Corp.](#) ("Copper North" or the "Company") (TSX VENTURE: COL) announces that it plans to consolidate the Company's common shares on the basis of one (1) post-consolidation common share for every ten (10) pre-consolidation common shares (the "Proposed Consolidation"). In addition, the Company intends to raise up to \$528,000 through a non-brokered private placement (the "Private Placement").

Proposed Consolidation

Subject to TSX Venture Exchange approval, the Company intends to complete the Proposed Consolidation concurrently with the Private Placement in order to improve the marketability of the Private Placement and to better position the Company for future financing transactions and corporate development opportunities.

Copper North currently has 183,249,182 common shares issued and outstanding. After completion the Proposed Consolidation, the Company expects to have approximately 18,325,000 common shares issued and outstanding, not including any shares that may be issued pursuant to the Private Placement.

The exercise price and the number of common shares issuable under the Company's outstanding warrants and stock options will be proportionately adjusted to reflect the Proposed Consolidation in accordance with the respective terms thereof.

Private Placement

The Company plans to raise up to \$528,000 through the sale, on a post-consolidation basis, of up to 1.2 million units (the "Units") at a price of \$0.22 per Unit and up to 1.1 million flow-through shares (the "FT Shares") at a price of \$0.24 per FT Share. Each Unit will consist of one common share of the Company (a "Share") and one non-transferable warrant (a "Warrant"). Each Warrant will entitle the holder to purchase one additional Share at a price of \$0.30 for a period of 24 months from closing.

The Company intends to use the proceeds from the sale of FT Shares for exploration at the Thor property. Copper North intends to use the proceeds from the sale of Units toward completion of an updated Preliminary Economic Assessment on the Carmacks Project, as well as working capital and general corporate purposes.

The Private Placement is subject to TSX Venture Exchange approval and all securities will be subject to a four month hold period. In light of the Proposed Consolidation and Private Placement, Copper North will no longer be proceeding with the private placement previously announced on April 5, 2016.

Thor Option Agreement

Copper North has amended the terms of its option agreement to acquire a 100% interest in the Thor property from Electrum Resource Corporation pursuant to an amending agreement dated May 11, 2016 (the "Amendment Agreement"). Pursuant to the Amendment Agreement, the \$50,000 cash payment originally due June 27, 2016 is now due August 1, 2016 and each annual work commitment deadline has been extended from June 27 to October 1. All other terms remain unchanged.
