[Kootenay Silver Inc.](#) (TSX VENTURE:KTN) ("Kootenay" or the "Company") is pleased to announce that it has entered into an agreement with Haywood Securities Inc. (the "Agent") to raise aggregate gross proceeds of up to \$4 million through the issuance of up to 10,000,000 units of the Company ("Units") at a price of \$0.40 per Unit (the "Offering Price") on a commercially reasonable efforts private placement basis (the "Offering"). Each Unit shall consist of one common share and one-quarter of one common share purchase warrant (each whole common share purchase warrant, a "Warrant"). Each Warrant will entitle the holder to acquire one common share (a "Warrant Share") at a price per Warrant Share of \$0.55 for a period ending April 21, 2021. The Warrants will have identical terms to the 23,103,969 listed warrants (the "Listed Warrants") of the Company currently outstanding and trading under the ticker 'TSXV: KTN.WT'. All securities to be issued pursuant to the Offering will be subject to a four month hold period under applicable securities laws in Canada. Subject to compliance with the policies of the TSX Venture Exchange, the Company will apply to list the Warrants on the TSXV with the Listed Warrants, on the expiry of the four month hold period. The Company will also grant to the Agent an option (the "Agent's Option"), exercisable in whole or in part by giving notice to the Company at any time up to 48 hours prior to the closing date, to sell up to an additional 1,500,000 Units (the "Additional Units") at the Offering Price.

The net proceeds of the Offering will be used to fund the exploration and development of the Company's La Cigarra project in Mexico and for general working capital purposes.

The Offering is expected to close on or before July 28, 2016 (the "Closing"). Closing of the Offering is subject to certain conditions customary for financings of this kind, including, but not limited to, the receipt of all necessary approvals including approval and acceptance by the TSX Venture Exchange. The Company has agreed to pay the Agent a cash commission of 6% of the gross proceeds raised under the Offering including on exercise of the Agent's Option and issue compensation warrants equal to 3% of the number of Units and Additional Units sold. Each such compensation warrant will entitle the Agent to purchase one common share at a price of \$0.55 for a period of twelve months following the closing of the Offering.

This news release does not constitute an offer to sell or a solicitation of an offer to buy the securities described herein in the United States. The securities described herein have not been and will not be registered under the United States Securities Act of 1933, as amended, or any State Securities Laws and may not be offered or sold in the United States or to the account or benefit of a U.S. person absent an exemption from the registration requirements of such Act.

About Kootenay Silver Inc.

[Kootenay Silver Inc.](#) is an exploration company actively engaged in the discovery and development of mineral projects in the Sierra Madre Region of Mexico and in British Columbia, Canada. The Company's top priorities are the advancement of the La Cigarra silver project and the Promontorio Mineral Belt, in Chihuahua, Mexico and Sonora, Mexico, respectively. The La Cigarra property is 26 kilometres from the historic mining city of Parral and boasts nearby power, good road access, gentle topography, and established infrastructure. La Cigarra currently hosts a resource estimate of 18.54 million tonnes containing 51.47 million ounces of silver in the Measured & Indicated categories grading 86.3 g/t silver and 4.45 million tonnes containing 11.46 million ounces of silver in the Inferred category grading 80 g/t silver. The mineralized system at La Cigarra has been traced over 6.5 kilometres and is defined at surface as a silver soil anomaly and by numerous historic mine workings. The La Cigarra silver deposit is open along strike and at depth and is approximately 25 kilometres north, and along strike, of Grupo Mexico's Santa Barbara mine and Minera Frisco's San Francisco del Oro mine. The Promontorio Mineral Belt includes the Company's La Negra high-grade silver discovery and its Promontorio Silver Resource. The Promontorio Mineral Belt is under option to Pan American Silver whereby they can earn a 75% interest in the project with US\$16 million of expenditures and payments with Kootenay retaining a 25% carried to production interest (see news releases dated February 16 and March 4, 2016). The Promontorio Silver Resource currently hosts a resource estimate of 44.5 million tonnes containing 92 million ounces of silver equivalent in the Measured & Indicated categories grading 64.3 g/t silver equivalent and 14.6 million tonnes containing 24.3 million ounces of silver equivalent in the Inferred category grading 52 g/t silver equivalent. The Company's core objective is to create value by acquiring silver resources through discovery and acquisition and testing those resources with the ultimate goal of developing them into silver production if they are proven to be economically viable.
