

MONTREAL, QUEBEC--(Marketwired - Jul 27, 2016) - Management of SIRIOS (TSX VENTURE:SOI) is pleased to announce the receipt of official documents confirming the transfer to Sirios of the 55% interest owned previously by its partner of the Cheechoo gold property. Sirios now owns 100% officially this property located in Eeyou Istchee James Bay, Quebec at 800 km north of Montreal and at less than 10 km from the Éléonore gold mine of Goldcorp.

Dominique Doucet, President of Sirios states: 'The total acquisition of the Cheechoo property is the result of technical and financial efforts accomplished by Sirios since 2012. I would like to thank all who participated in the completion of this very important step in the progress of our company. On Cheechoo, Sirios aims with the current program of 10,000 metres of drilling, to confirm a significant gold discovery.'

The Cheechoo property is subject to a royalty as described previously. (press release April 9, 2013)

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
