

Millrock Resources invites individual and institutional investors as well as advisors to attend interactive real-time virtual conference at VirtualInvestorConferences.com

VANCOUVER, British Columbia, Sept. 28, 2016 /CNW/ -- Millrock Resources (OTCQX: MRLKF, TSX-V: MRO), based in Vancouver, BC, focused on the discovery of world-class ore bodies through grassroots exploration, today announced that President & CEO, Gregory A. Beischer, will present at the OTCQX Energy & Mining Virtual Investor Conference on October 4, 2016.

Gregory Beischer will explain the unique benefits and exploration advantages it receives from following the unconventional Project Generator Model, as well as discuss its current partners, exploration programs, and, most importantly, its plans and catalysts for the 2017 exploration season.

DATE: Tuesday, October 4, 2016
TIME: 11:00AM ET
LINK: <http://tinyurl.com/10otcpre>

Attendees will be able to view the presentation and learn more about the company in their "virtual booth." If attendees are not able to join the event live on the day of the conference, an on-demand archive will be available for 90 days.

It is recommended that investors pre-register and run the online system check to save time and receive event updates.

The OTCQX Virtual Investor Conference is made possible by a partnership between OTC Markets Group Inc. and VirtualInvestorConferences.com, a cooperative venture of PR Newswire and BetterInvesting (NAIC). Learn more about the event at VirtualInvestorConferences.com.

ABOUT MILLROCK RESOURCES

[Millrock Resources Inc.](http://MillrockResourcesInc.com) is a premier project generator to the mining industry. Millrock identifies, packages and operates large-scale projects for joint venture, thereby exposing its shareholders to the benefits of mineral discovery without the usual financial risk taken on by most exploration companies. The company is active in Alaska, British Columbia, the southwest USA and Sonora State, Mexico. Funding for drilling at Millrock's exploration projects primarily comes from its joint venture partners. Business partners of Millrock have included some of the leading names in the mining industry: Centerra Gold, First Quantum, Teck, Kinross, Vale, Inmet and Altius.
