

VANCOUVER, BC--(Marketwired - February 14, 2017) - [Rokmaster Resources Corp.](#) (TSX VENTURE: RKR) ("Rokmaster" or the "Company") is pleased to announce that it has received a Mines Act Permit (the "Permit") from the British Columbia Ministry of Energy and Mines authorizing exploration activities including surface diamond drilling on the Company's 100% owned Duncan Lake Zinc-Lead Property (the "Property"). The Permit expires in September 2019.

Prior to drilling the Property, the Company commenced a preliminary program consisting of further data collection and compilation. This work includes recovery, re-organization and re-logging of selected historical drill core, analysis of selected core intervals for silver and gold and structural study to target initial drill holes. Drilling is expected to commence in early summer 2017.

For additional information on the Company and its properties, please visit the Company's website www.rokmaster.com or call (604) 632-9602.

On behalf of the Board of Directors of
ROKMASTER RESOURCES CORP.

"John Mirko"

John Mirko, President & Chief Executive Officer

Neither the TSXV nor its Regulation Services Provider (as that term is defined in the policies of the TSXV) nor any other regulatory authority accepts responsibility for the adequacy or accuracy of this release.

This news release may contain forward-looking information within the meaning of applicable securities laws ("forward-looking statements"). Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects," "plans," "anticipates," "believes," "intends," "estimates," "projects," "potential" and similar expressions, or that events or conditions "will," "would," "may," "could" or "should" occur. These forward-looking statements are subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements, including, without limitation: risks related to fluctuations in metal prices; uncertainties related to raising sufficient financing to fund the planned work in a timely manner and on acceptable terms; changes in planned work resulting from weather, logistical, technical or other factors; the possibility that results of work will not fulfill expectations and realize the perceived potential of the Company's properties; risk of accidents, equipment breakdowns and labour disputes or other unanticipated difficulties or interruptions; the possibility of cost overruns or unanticipated expenses in the work program; the risk of environmental contamination or damage resulting from Rokmaster's operations and other risks and uncertainties. Any forward-looking statement speaks only as of the date it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement, whether as a result of new information, future events or results or otherwise.
