*FORWARD LOOKING STATEMENTS: This news release contains certain forward-looking statements within the meaning of Canadian securities laws, including statements regarding the Kiyuk Lake Property: statements pertaining to the ability of [Cache Exploration Inc.](#) ("CAY"); the potential to develop resources and then further develop reserves; the anticipated economic potential of the property; the availability of capital and finance for CAY to execute its strategy going forward. Forward-looking statements are based on estimates and assumptions made by CAY in light of its experience and perception of current and expected future developments, as well as other factors that CAY believes are appropriate in the circumstances. Many factors could cause CAY's results, performance or achievements to differ materially from those expressed or implied by the forward looking statements, including: discrepancies between actual and estimated results from exploration and development and operating risks, dependence on early exploration stage concessions; uninsurable risks; competition; regulatory restrictions, including environmental regulatory restrictions and liability; currency fluctuations; defective title to mineral claims or property and dependence on key employees. Forward-looking statements are based on the expectations and opinions of the Company's management on the date the statements are made. The assumptions used in the preparation of such statements, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company expressly disclaims any intention or obligation to update or revise any forward-looking statements whether as a result of new information, future events or otherwise.*
