

VANCOUVER, BRITISH COLUMBIA--(Marketwired - Apr 4, 2017) - Dynasty Metals & Mining Inc. ("Dynasty" or the "Company") (TSX:DMM) (OTCQX:DMMIF) is pleased to announce the completion of a non-brokered private placement (the "Private Placement") of a secured convertible debenture of the Company in the aggregate principal amount of US\$500,000 (the "Debenture") to Credipresto S.A. de C.V. SOFOM E.N.R. ("Credipresto").

The Debenture matures two (2) years from the date of issuance, bears interest at a rate of 12% per annum payable quarterly in cash and is fully secured through a pledge of all the issued and outstanding share capital of Elipe S.A., an indirect wholly owned subsidiary of the Company, ranking behind the outstanding loans from Vertex Managed Value Portfolio and Vertex Enhanced Income Fund. The principal amount of the Debenture is convertible at any time at the option of the holder into common shares of the Company (the "Common Shares") at a price of CAD\$0.25 per Common Share, based on a Canadian dollar/US dollar exchange rate of 1.3322. An aggregate of up to 2,664,400 Common Shares are issuable by the Company on conversion of the Debenture, representing approximately 3.03% of the issued and outstanding Common Shares on completion of the Private Placement.

The Company intends to use the net proceeds from the Private Placement for working capital and general corporate purposes.

In connection with the Private Placement, the Company issued to Credipresto warrants to purchase 750,000 Common Shares (the "Warrants") in lieu of a cash corporate finance fee. Each Warrant will entitle the holder thereof to acquire one additional Common Share at a price of CAD\$0.33 per Common Share for a period of two (2) years from the date of issuance. In connection with the Private Placement, Credipresto has also agreed to forgive debt outstanding by the Company in the aggregate amount of CAD\$50,000.
