

MONTREAL, QUEBEC--(Marketwired - May 4, 2017) - [Osisko Gold Royalties Ltd.](#) ("Osisko") (TSX:OR)(NYSE:OR) is pleased to declare a second quarter 2017 dividend of CAD\$0.04 per share. The dividend will be paid on July 17, 2017 to shareholders of record as of the close of business on June 30, 2017. For shareholders residing in the U.S.A., the U.S. dollar equivalent will be determined based on the noon rate published by the Bank of Canada on June 30, 2017. This dividend is an "eligible dividend" as defined in the Income Tax Act (Canada).

The Company also wishes to remind its Canadian shareholders that it has implemented a dividend reinvestment plan (the "Plan"). Shareholders who are residents of Canada may elect to participate in the plan in connection with the dividend to be paid on July 17, 2017 to shareholders on record as of June 30, 2017. The Company will issue the common shares from treasury at a 3% discount to the weighted average price of the common shares on the TSX during the five (5) trading days immediately preceding the dividend payment date. Participation in the Plan is optional and will not affect shareholders' cash dividends unless they elect to participate in the Plan. Quarterly dividends are only payable as and when declared by Osisko's Board of Directors.

A complete copy of the Plan and the enrolment form are available on Osisko's website at <http://osiskogr.com/en/dividends/drip/>. Shareholders should carefully read the complete text of the Plan before making any decisions regarding their participation in the Plan.

Non-registered beneficial shareholders who wish to participate in the Plan should contact their financial advisor, broker, investment dealer, bank or other financial institution that holds their common shares to inquire about the applicable enrolment deadline and to request enrolment in the Plan. For more information on how to enroll or any other inquiries, contact the Agent at 1-800-387-0825 (toll-free in Canada) or inquiries@canstockta.com.

Participation in the Plan does not relieve shareholders of any liability for taxes that may be payable in respect of dividends that are reinvested in common shares under the Plan. Shareholders should consult their tax advisors concerning the tax implications of their participation in the Plan having regard to their particular circumstances.
