**Forward-Looking Statements:**

This press release contains forward-looking statements within the meaning of the federal securities laws. Such statements are subject to a number of assumptions, risks and uncertainties, many of which are beyond the control of the Company. These risks include, but are not limited to our ability to replicate the results described in this release for future wells; the ability to finance our continued exploration, drilling operations and working capital needs, all the other uncertainties, costs and risks involved in exploration and development activities; and the other risks identified in the Company's Annual Report on Form 10-K and its other filings with the Securities and Exchange Commission (the "SEC"). Investors are cautioned that any such statements are not guarantees of future performance and that actual results or developments may differ materially from those projected in the forward-looking statements. The forward-looking statements in this press release are made as of the date hereof, and the Company does not undertake any obligation to update the forward-looking statements as a result of new information, future events or otherwise.
