

TORONTO, ONTARIO--(Marketwired - June 20, 2017) - [Galantas Gold Corp.](http://www.galantas.com) (the "Company") (TSX VENTURE:GAL)(AIM:GAL) confirms the distribution of the Annual Report and Accounts and the distribution to shareholders of the Management Information Circular and Notice of Annual General and Special Meeting set for 26<sup>th</sup> June 2017, details of which may be found on the Company's website [www.galantas.com](http://www.galantas.com).

The Company has a 100% interest in the Omagh Gold Mine, which has an operational processing plant and tailings facility with an excellent environmental record. The plant uses a non-toxic, froth flotation process, without the use of cyanide or mercury and produces a gold concentrate which is exported for smelting. The remaining tailing sands are clean and free from acid drainage. The plant is on stand-by awaiting ore from underground development. The underground mine, when fully developed, is expected to create 130 jobs plus others in service industries associated with the development.
