Justin Reid, Managing Director, [Aguia Resources Ltd.](#) (TSX VENTURE:AGRL)(ASX:AGR) and members of Aguia's team, joined Tim Babcock, Director, Listed Issuer Services, TSX Venture Exchange to open the market in Toronto this morning. [Aguia Resources Ltd.](#) commenced trading on TSX Venture Exchange on July 6, 2017 and is also listed on the Australian Stock Exchange.

Managing Director Justin Reid commented, "We want to thank the TSX Venture Exchange for the opportunity to list Aguia on the most dynamic public market for a junior resource company. In the ASX and TSXV we now have access to two of the most mature and sophisticated mining investment communities and we can already see that the dual listing provides new momentum for Aguia. We look forward to expanding Aguia's presence and welcome our new North American investors."

About Aguia:

[Aguia Resources Ltd.](#), ("Aguia") is an ASX and TSXV listed company whose primary focus is on the exploration and development of phosphate projects in Brazil. Aguia has an established and highly experienced in-country team based in Belo Horizonte, Brazil with corporate offices in Sydney, Australia. Aguia's key projects are located in Rio Grande do Sul, a prime farming area which is 100% dependent on phosphate imports. The Rio Grande phosphate deposits exhibit high quality and low cost production characteristics, and are ideally located with proximity to road, rail, and port infrastructure. Aguia's experienced management team has a proven track record of advancing high quality mining assets to production in Brazil.
