

CALGARY, ALBERTA--(Marketwired - Oct 5, 2017) - [West High Yield \(W.H.Y.\) Resources Ltd.](#) (TSX VENTURE:WHY) (the "Company") is pleased to announce that it has signed a definitive arm's length purchase and sale agreement (the "Agreement") to sell 100% of its right, title and interest in its Record Ridge South, Midnight, and O.K. mineral properties (the "Assets") to Gryphon Enterprises, LLC (the "Purchaser"), a company based in Maryland, USA, for a purchase price of US\$750 million.

The Agreement includes representations and warranties to each party customary in a transaction of this nature and is subject to a number of conditions including, without limitation, the following: (i) on or before the closing date, the Company shall have entered into a take and pay agreement(s) in the form and on terms and conditions acceptable to the Purchaser, acting reasonably; and (ii) all director, shareholder, securities and regulatory approvals and acceptances (as required) and all third party consents (as required) having been obtained including, without limitation, the approval of the TSX Venture Exchange. In addition, the Purchaser has agreed to provide the Company with the sum of US\$500,000 within 30 days from the date of execution of the Agreement as a good faith, non-refundable deposit (the "Deposit"). The Deposit shall be credited towards the full payment of the purchase price and, in the interim, shall be used by the Seller to reimburse the Seller for any and all legal fees and other reasonable expenses incurred by the Seller in respect of the transactions contemplated herein. If the transaction is not completed for any reason whatsoever, the Deposit shall be retained by the Seller as a reasonable and genuine estimate of all damages that will have been suffered by the Seller as a result of Closing not occurring due to the Purchaser's default.

The Company is expected to call an annual and special meeting of its shareholders in December 2017 where the shareholders will be asked to approve the proposed purchase and sale of the Assets and any other matters related to the proposed transaction. The information circular to be mailed to the shareholders will contain more detailed information in respect of the proposed transaction. A full copy of the Agreement will be available for review on the Company's website at www.whyyresources.com and on its SEDAR profile at www.sedar.com.

The closing of the purchase and sale of the Assets is expected to occur on or before the date that is 90 days from the date a take and pay agreement(s) is entered into by the Company in the form and on terms and conditions acceptable to the Purchaser. After completion of the transaction, it is expected that the Company will distribute the vast majority of the proceeds from the purchase and sale to the Company's shareholders while at the same time exploring other business opportunities.

Frank Marasco, President and Chief Executive Officer of the Company, stated "The proposed transaction is great for our shareholders who have been supportive and patient in this very long and arduous process. As we move forward and recognize how important our environment is to our children and grandchildren, we are pleased to see the development of the "greenest element" in the world. Magnesium will support many aspects of our lives including, medical, agriculture, batteries, construction, auto and aero industry and many more applications. Thank you for all your support."
