[Osisko Gold Royalties Ltd.](#) (the "Company" or "Osisko") (TSX:OR)(NYSE:OR) is pleased to announce that, in connection with its previously announced C\$284 million offering (the "Offering") of convertible senior unsecured debentures (the "Debentures") which consists of a public offering and a private placement, the underwriters have exercised their option to increase the size of the private placement of Debentures (the "Private Offering") by C\$16 million, for total gross proceeds from the Offering of C\$300 million.

As a result, Osisko is pleased to announce that Ressources Québec inc., a wholly-owned subsidiary of Investissement Québec, has committed to purchase C\$16 million of Debentures through the Private Offering on the same terms and conditions as the C\$184 million public offering of Debentures.

The Debentures will bear interest at a rate of 4.00% per annum, payable semi-annually on June 30 and December 31 each year, commencing on June 30, 2018. The Debentures will be convertible at the holder's option into Osisko common shares at a conversion price of C\$22.89 per common share (representing a conversion premium of approximately 40% to the reference price of C\$16.35 and a conversion rate of 43.6872 Osisko common shares per C\$1,000 principal amount of debentures). The Debentures will mature on December 31, 2022 and may be redeemed by Osisko, in certain circumstances, on or after December 31, 2020.

The net proceeds from the Offering will be used to fund the acquisition of precious metal royalties and streams, working capital, and general corporate purposes.
