

Durango Resources's Exploration Team Returns to Windfall Lake

28.11.2017 | [The Newswire](#)

Vancouver, November 28, 2017 - [Durango Resources Inc.](#) (TSX.V-DGO), (the "Company" or "Durango") announces that further to the news of October 23, 2017, Durango's exploration team has returned to the Windfall Lake area. An expedited program has been planned on certain blocks of Durango's claims in order of priority due to their proximity and access to certain structures and fault systems which host many important anomalies and showings.

The exploration program has been designed to follow the success of large explorers in the immediate area. Till and soil sampling is expected to be completed on these high priority claim blocks to identify gold trend anomalies. All till samples will be sent to the laboratory and interpreted to identify for potential gold sources.

Further updates on this program will be released as they become available.
