Private placement - \$1.3 million

The Company announces that it intends to conduct an offering, on a non-brokered private placement basis, of up to 4,333,334 units of the Company (the "Units") at a subscription price of \$0.30 per Unit for aggregate gross proceeds of up to \$1,300,000 (the "Private Placement"). Each Unit will consist of one common share of the Company (each, a "Common Share") and one-half of one Common Share purchase warrant (each whole Common Share purchase warrant, a "Warrant"). Each Warrant will entitle the holder to purchase one Common Share at a price of \$0.45 for a period of two (2) years following the closing of the Private Placement, subject to acceleration in the event that the closing price of the Company's Common Shares is \$0.60 per share or higher over a period of 10 consecutive trading days. All securities issued pursuant to the Private Placement will be subject to a hold period that expires four months and a day from the closing date in accordance with the rules and policies of the TSXV and applicable Canadian securities laws.

The Company intends to use the net proceeds of the Private Placement for general corporate purposes and working capital between now and closing of the Facility.

Upon closing of the Private Placement, the Company may pay a cash finder's fee to one or more arm's length parties equal to 7% of the aggregate gross proceeds raised under the Private Placement from subscribers introduced by such parties. The Private Placement is expected to close on or about December 29, 2017 and is subject to certain conditions including, but not limited to, the receipt of all necessary approvals including the approval of the TSXV.

This press release shall not constitute an offer to sell or solicitation of an offer to buy the securities in any jurisdiction. The securities will not be and have not been registered under the United States Securities Act of 1933 and may not be offered or sold in the United States absent registration or applicable exemption from

the registration requirements.

Keith Piggott, President and Chief Executive Officer of Core Gold commented: "With the Investa debt facility in place, the Company will be well positioned to continue expanding gold production in 2018 and to devote material capital to high-impact exploration activities throughout its Dynasty District copper-gold belt concession holdings."

Forward-Looking Information

All statements, trend analysis and other information contained in this press release relative to anticipated future events or results constitute forward-looking statements. All statements, other than statements of historical fact, included herein, including, without limitation, statements relating to the receipt of and anticipated use of proceeds of the Investa Facility, the Company's plans and intentions for expanding gold production, and the Company's plans to complete the Private Placement, are forward-looking statements. Forward-looking statements are based on assumptions, estimates and opinions of management at the date the statements are made that the Company believes are reasonable, including: that the Investa Financing and the Private Placement will be arranged on the anticipated terms, that the Company will be able to comply with the delivery and other obligations under the Investa Facility, that results of exploration activities will be consistent with management's expectations and that the Company will not experience any material accident, labour dispute, or failure of equipment and with respect to the planned mining operation; that mineralization at the Projects will be of the grades and in the locations expected; that the Company will be able to extract and transport mineralized rock efficiently and sell the mineralized rock at the prices and in the manner and quantities expected; that any required permits will be received on the terms and timeline expected and that other regulatory or permitting issues will not arise; that mining methods can be employed in the manner and at the costs expected and that such methods yield the results the Company expects them to. However, forward-looking information involves known and unknown risks, uncertainties and other factors, which may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking information. Such risks, uncertainties and other factors include, among others: all of the risks described in this news release; failure of the Investa Facility and/or the Private Placement to be arranged on the proposed terms or at all, including due to the Company's inability to complete the conditions precedent, the risk that actual results of exploration and development activities will be different than anticipated; that the Company will not be able to comply with the delivery or other obligations in the Investa Facility and the risk that the lenders will enforce their security over the Company's assets, including its mineral properties; that cost of labour, equipment or materials will increase more than expected; that the future price of gold will decline; that the Canadian dollar will strengthen against the U.S. dollar; that mineral resources are not as estimated; unexpected variations in mineral resources, grade or recovery rates; risks related to shipping mineralized rock; the risk that local mills cannot or will not buy or process mineralized rock from the planned production for the prices expected or at all; risk of accidents, labour disputes and other risks generally associated with mineral exploration; unanticipated delays in obtaining or failure to obtain community, governmental or regulatory approvals or financing; and all of the risks generally associated with the development of mining facilities and the operation of a producing mine, as well as the risks described in the Company's annual information form, which is available on SEDAR at www.sedar.com. Although the

Company has attempted to identify important factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results to not be as anticipated, estimated or intended. There can be no assurance that forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Readers are cautioned not to place undue reliance on forward-looking information due to the inherent uncertainty thereof. The Company does not undertake any obligation to update forward-looking statements except as required by applicable securities laws. Investors should not place undue reliance on forward-looking statements.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
