## Finders Fee

Following completion, a cash payment of AUD\$144,990, to be paid by CIO to the Facilitator out of the proceeds received by CIO, subject to the receipt by CIO of any required consents, approvals, authorisations or clearances including from the TSXV and/or CIO's shareholders on terms and conditions satisfactory to CIO and to Tyranna, each acting reasonably; and

Upon completion, the issue by Tyranna of 8,529,412 Tyranna Shares at a deemed issue price of \$0.017 to the Facilitator and/or its nominee(s).

Mr Brett Hodgins, President and CEO, said, "We are extremely pleased by the high value transaction entered into with Tyranna Resources for the sale of the Eureka Gold Project. This reinforces CIO's strategy

to create and realise value through mineral asset discovery, managing a portfolio of mineral assets, project development de-risking and commercialisation of those assets. This sale allows a focused exploration campaign on our higher priority exploration targets while maintaining exposure to a producing asset."

## **EUREKA GOLD PROJECT**

The Eureka Gold Project is approximately 50km North of Kalgoorlie in Western Australia and covers an area of 563 hectares. The Eureka Gold Project includes the Eureka open pit gold mine which is 100% owned by CIO and is NI43-101 compliant.

On November 24, 2017 CIO announced an agreement for a trial mining operation at Eureka. The trial mining operation is expected to commence mining by the end of November 2017 and should be completed by April 2018. The trial mining operation is planned to extend the depth of the current open pit by approximately 20 metres. Currently the Pit is being dewatered and redevelopment of access to base of the pit.

The major consideration for this operation is a net smelter royalty. The sale of Eureka includes the future mining royalties.

### **Royalty**

The Producer will also pay CIO a royalty equal to 4% of the Net Smelter Return generated from the sale of any Product (the Royalty). The Royalty will increase by 2% (being a total royalty equal to 6% of the Net Smelter Return) generated from the sale or removal or other disposal of any Product in excess of 20,000 ounces.

### **Pre-Paid Royalty**

Upon the commencement of Mining Operations on the Tenement Area the Producer will promptly:

- notify the Royalty Holder that Mining Operations have commenced; and
- pay the Royalty Holder AUD\$250,000, being a pre-payment of the Royalty which amount will satisfy subsequent Royalty payments up to this amount.

## **Tyranna Resources Limited**

Tyranna is a gold exploration company focused on the large Jumbuck Gold Project in the Northern Gawler Block of South Australia. Tyranna is undertaking an exploration program for 2017 comprising a drilling campaign of 15,000 - 20,000 metres at Jumbuck which commenced in March 2017. A total of 14,389 metres was drilled at the Jumbuck Gold Project during the 2016 calendar year with the aim to explore for high grade open pit, gold mineralisation within trucking distance of the Challenger gold operations. The Challenger gold operations is owned and operated by Tyranna's joint venture partner WPG Resources Ltd.

Jumbuck is a highly prospective and underexplored area, similar in style to the Albany/Fraser belt adjacent to the Yilgarn Craton in Western Australia which is host to the large 6.3M Au Oz Tropicana gold deposit. Tyranna controls over 9,762 km<sup>2</sup> of ground in this area, which also hosts the Challenger gold mine (owned by WPG Resources Ltd). Challenger has produced in excess of 1 million ounces of gold to date.

The Jumbuck Project has numerous gold occurrences over large areas with strong potential for significant resources of shallow oxide ore and repeat Challenger style deposits.

Tyranna's strategy is to target those more advanced gold prospects which are situated within 50 km's of the

Challenger gold processing operations and increase the economic scale of these prospects via focused and extensive exploration drilling.
