## About Abacus

Abacus is a mineral exploration and mine development company currently focused on its optioned Willow copper-gold property located near Yerington, Nevada in which it can acquire up to a 75% ownership interest, and the contiguous Nev-Lorraine claims subject to a ten year lease agreement. The Company also holds a 20% ownership interest, together with KGHM Polska Miedz S.A. The Ajax project awaits a final decision from the Federal Cabinet on whether the project can proceed. On December 14, 2017, a decision was made by the B.C. Minister of Environment and Climate Change Strategy and Minister of Energy, Mines and Petroleum resources to decline to issue an environmental assessment certificate for the Project.
