

Lorraine Copper Announces Adoption of 10% Rolling Stock Option Plan

18.06.2018 | [The Newswire](#)

Vancouver, June 18, 2018 - Lorraine Copper Corp. ("Lorraine" or the "Company") announces that its board of directors has elected to adopt a 10% "rolling" Stock Option Plan ("New Stock Option Plan"), to replace the "fixed number" Stock Option Plan approved by the board of directors on September 12, 2016.

The adoption of the New Stock Option Plan is subject to the Company receiving shareholder approval therefor at its next annual general meeting, expected to be held in October 2018, as well as acceptance by the TSX Venture Exchange (the "Exchange").

Stock Option Grant

The Company has approved, subject to receiving shareholder approval and Exchange acceptance, the granting of stock options under the New Stock Option Plan to directors, officers, and consultants for the purchase of 900,000 common shares of the Company. The options will vest immediately. These options have a five-year term and allow the holder to purchase one common share of the Company for \$0.13 a share until June 18, 2023. These recently granted options cannot be exercised until such time as both the New Stock Option Plan and any options granted thereunder have been specifically approved by shareholders and the New Stock Option Plan has been accepted by the Exchange
