

# RJK Expands Land Position and Mobilizes Field Crews on Its Rolling Pond Property

26.09.2018 | [Newsfile](#)

Kirkland Lake, September 26, 2018 - [RJK Explorations Ltd.](#) (TSXV: RJX.A) ("RJK" or the "Company") is pleased to announce that it has expanded its land position at its Rolling Pond Property, Moosehead Gold Belt, Nfld by way of map staking. The Company has acquired an additional 100 claims covering 2500 hectares to secure additional prospective ground in the area. Currently, the Rolling Pond Property consists of 242 contiguous claims covering 6,050 hectares.

Field crews have been mobilized to the Property and have commenced soil geochemical sampling and prospecting in areas where two previously identified boulder trains containing epithermal quartz boulders have been identified. The boulder trains occur along an 8 kilometer structural corridor and located approximately 2 kilometers and 5 kilometers southeast of the large Rolling Pond sinter zone outcropping in the northern portion of the Property. Once results of the soil sampling and prospecting program have been received and evaluated, reconnaissance ground induced polarization and high-resolution magnetometer surveys will be performed over the most prospective areas.

RJK has updated its web site to include several new maps of the Rolling Pond Property and a video clip showing the Sinter Zone.

## Forward Looking Information

This news release includes certain forward-looking statements, which may include, but are not limited to, statements concerning future mineral exploration and property option payments. Any statements contained herein that are not statements of historical facts may be deemed to be forward-looking, including those identified by the expressions "will", "anticipate", "believe", "plan", "estimate", "expect", "intend", "propose" and similar expressions. Forward-looking statements involve known and unknown risks and uncertainties that could cause actual results, performance, or achievements to differ materially from those expressed or implied in this news release. Factors that could cause actual results to differ materially from those anticipated in this news release include, but are not limited to, the financial resources of the Corporation being inadequate to carry out its stated plans. RJK assumes no obligation to update the forward-looking statements or to update the reasons why actual results could differ from those reflected in the forward-looking statements except as required by applicable law.
