About the Company

Nexus Gold is a Vancouver-based gold exploration and development company operating primarily in Burkina Faso, West Africa. The company controls nearly 500-sq km of highly prospective gold exploration projects and is currently concentrating its efforts on establishing a compliant resource at one or more of those projects. The 38-square km Bouboulou project comprises no less than five established gold zones contained within three separate 5km gold trends. The adjacent 250-square km Rakounga gold concession extends the Bouboulou gold trends and currently contains three drill tested zones of gold mineralization. The Niangouela gold concession is a 178-square km project featuring high-grade gold occurring in and around a primary quartz vein and associated shear zone approximately one km in length.
