

Tamino Minerals, Inc. Announces Fake News Update

21.11.2018 | [GlobeNewswire](#)

MONTREAL, Nov. 21, 2018 - via OTC PR WIRE – [Tamino Minerals Inc.](#) ("Tamino" or the "Company") (OTC Markets: TINO) Mr. Pedro Villagran-Garcia, President & CEO, is pleased to announce an update regarding the recent string of fake press releases. On November 6th, 2018 two news articles were released via Business Wire (a Berkshire Hathaway Company) unbeknownst to [Tamino Minerals Inc.](#) These press releases were utterly misleading and were released under false pretenses by unknown sources. We have reported these instances to the proper authorities and Business Wire. Almost all publications of these press releases have been deleted, as we continue to receive messages of all the places where such bogus releases were posted. An ongoing investigation is occurring to determine the culprits and bring them to justice. [Tamino Minerals Inc.](#) does not condone this stock manipulation and wants investors to be aware that we have done everything in our power to make this right.

Preparation of NI 43-101 Report

We would also like to update shareholders on our company and our vision. Currently, the company is focused on obtaining a completed NI 43-101 Report.

This report will disclose information about our mining properties and will put investors at ease, knowing the property has been explored and visited by qualified geologists.

Preparation of Audited Financial Statements

Additionally, we plan once we complete a NI 43-101 Report we will proceed to audit our company, which in turn will allow us to complete all needed filings to become current with OTC Markets. As previously discussed, we will be releasing news regarding acquisitions in the near term, so please stay tuned.

Precious minerals have seen significant price appreciation lately and our company wants to take full advantage of this opportunity. We are very excited to revitalize this company and are very happy to have you all as investors.

TAMINO MINERALS, INC.

[Tamino Minerals Inc.](#) is exploring for gold deposits within a prolific gold producing geologic state, Sonora.

On behalf of the Board,
